"Cookie Cutter" Low Carb Diet Plans Explained
By Jenny Mathers
Article Category: [Weight Loss](#)

Most diet plans, including low carb diet plans are best taken with a grain of salt, because although one may work for your best friend, it may not work for you. For those with serious weight problems and have co-existing issues such as hyperglycaemia (high blood sugar levels) or like some of us hypoglycaemia (low blood sugar levels) etc., the popular diet plans usually will not be able to cater to individual needs.
